

FAQ

FREQUENTLY
ASKED
QUESTIONS

What is the Hanes4Education™ program?

The Hanes4Education™ program enables K-12 schools to earn cash rebates on orders of Hanes® and Champion® printed T-shirts, polo shirts and sweatshirts purchased in bulk through suppliers. This includes anyone in the community purchasing printed Hanes® and Champion® products from suppliers for corporate apparel, team uniforms or event shirts.

How does the program work?

Schools can earn cash when they, or someone in the community, orders printed Hanes® or Champion® shirts from a local supplier and submits the Rebate Form to Hanes4Education. For each shirt ordered, schools can earn \$0.10. The process is simple:

- Complete the Rebate Form
- Submit the form along with the invoice from the supplier showing that Hanes® or Champion® printed shirts were purchased to Hanes4Education
- Designated school receives a check within 4-6 weeks of submission (check value must be at least \$10.00)

Who fills out the Rebate Form?

The Rebate Form can be completed by the purchaser or by the recipient school. Or your supplier can complete and submit the Rebate Form on your behalf.

I thought Hanes4Education was a Box Tops program?

Hanes4Education is now a cash rebate program.

What schools qualify for the Hanes4Education program?

Public and private schools (K-12) registered with the appropriate state agency are eligible to participate in the Hanes4Education™ program.

Do Hanes® and Champion® products purchased in stores qualify?

The new Hanes4Education™ program only applies to printed Hanes® or Champion® shirts purchased in bulk from suppliers like screenprinters and promotional products distributors. Hanes® and Champion® products purchased at retail stores do not qualify.

What types of Hanes® or Champion® products qualify for the Hanes4Education™ program?

Hanes® and Champion® printed T-shirts, polo shirts, sweatshirts, sweatpants and shorts purchased in bulk through suppliers qualify for the Hanes4Education program. For a complete list of Hanes® and Champion® products available from suppliers, go to the Styles & Colors section.

How much cash can my school earn from my order of printed shirts?

With the Hanes4Education™ program, schools can earn \$0.10 for every Hanes® or Champion® printed shirt that you order. If you order 100 T-shirts, your designated school will receive a rebate check for \$10.00. The same formula applies for polo shirts and sweatshirts. A maximum of \$500 (5,000 printed shirts) can be earned per order, and a school may earn a maximum of \$5,000 from the Hanes4Education™ program per calendar year. Rebate requests in excess of this maximum will not carry over to the following calendar year.

How can our school get the community involved in the Hanes4Education™ program?

Any local business or organization – businesses, teams, sororities, fraternities, community organizations, churches, etc. – can support local schools with purchases they are already making by donating their invoices to local schools. The Rebate Form can be completed by the purchaser or the school.

If I have a question, what should I do?
